SPECIFICATIONS

Model	ARO-B1
Battery type	Li-ion 18650 2P
Capacity	5000mAh 3.7V (18.5Wh)
Rated capacity	3000mAh 5V
Dimensions	42x76x22mm
Input charging port	USB-C, 5.0V \equiv 2A
Output	5V \equiv 2A

PRECAUTIONS

- Charge the battery before use.
- This battery pack is **ONLY** for use with the AROMAONE® Aromatherapy Diffuser.
- When not in use, remove the battery from the AROMAONE® and store it in a cool, dry place.

- Long-term exposure to high-temperature environments could deteriorate the battery's performance. Please check battery casing for cracks or other damage before use. Refer to AROMAONE® user manual for diffuser usage.

WARNING

- Do not short circuit the metal contacts.
- Do not charge the battery in high-temperature environments (greater than ~ 113°F or 45°C)
- Under no circumstances attempt to open the battery case.
- Do not expose the battery to liquid or moisture.
- Keep away from fire. Do not incinerate.
- Do not drop battery or expose it to strong shocks.
